HOLE DECORATING CONTEST BETWEEN LOCAL SCHOOLS!

CROWN POINT COMMUNITY LIBRARY

Dear Library Supporter,

The Crown Point Community Library is excited to announce the annual Library Mini Golf Event, **"A Hole Lot of Fun,"** on Saturday, April 16, 2016 from 10:00 – 3:00 p.m. The library will be transformed into an 18-hole miniature golf course for the day. The course will be set up throughout the first and second floors of the library, including a special "Family Fun Zone" in the meeting rooms that will feature refreshments, games and more. Players of all ages will have "A Hole Lot of Fun" swinging their clubs through the library stacks!

Our previous mini golf event in 2014 was a great success! We doubled our numbers, serving just under 2,000 people throughout the course of the day in the library. There were over 450 golfers of all ages playing 18 holes that experienced the library in a unique and entertaining way. In addition, our Friends of the Library group sponsored a hole decorating contest open to all Crown Point schools, both public and private. Golfers voted for their favorite; the three winning schools received a cash prize to purchase books for their school library.

All the proceeds from this fundraising event allow us to offer unique traveling exhibits, author/illustrator visits, literary impersonators, musicians and more to expand the traditional boundaries of library programming. We are proud to have sponsored many programs for the community including: author visits by Kate Collins and Mark Marimen, magician and balloon artist Professor Smarty Pants for our Summer Reading finale, Mark Lyons presenting "Intro to Home Cheese Making" workshop, musical entertainment by Mo Blues, and sponsoring the library's 2015-2016 Winter Reading program for readers of all ages.

We would like to offer you the one-of-a-kind opportunity to participate in this extraordinary advertising opportunity for your business or organization. There are numerous ways to participate in this event. For $500, sponsor an entire hole and advertise your business in the library lobby from March through April to the nearly 40,000 people who will visit the library during that time. Or, consider one of the other opportunities to promote your business the day of the event. The various levels of participation are on the enclosed informational page. Along with the chance to support the library, there are many benefits to sponsoring a hole:

- Sponsors will be mentioned in advertising and promotional materials throughout the community, in the library newsletter, website, and on the lobby display viewed by thousands of people in the weeks before the event.
- Your logo will be showcased at your sponsored hole, tee or green.
- Sponsors will have space available at their sponsored hole, tee or green, or Family Fun Zone area to greet players at the event and/or provide information about their business or service.
- Your logo will be included on the scorecard and all printed promotional materials.
- You will have the option to decorate your hole.
