We can't wait for spring to appear here. We hate to close due to inclement weather, but we don't want to be an attractive nuisance, either. When the police and the highway department say stay off the roads, we take their advice seriously. But remember, there ARE library services available even when the building is closed. eBooks, streaming videos and downloads, and magazines are easily available with a Floyd Memorial Library card at our web site: www.floydmemoriallibrary.org

You may notice some work being done here this month. We are trading in most of our fluorescent and incandescent lighting for LED. This is the focus of this year's **Annual Appeal** and there is still an opportunity for you to participate. Pick up an envelope at the Circulation Desk or go to our website www.floydmemoriallibrary.org and click through to donate.
