

**SMART BEGINNINGS INVITES PARENTS  
AND PRESCHOOL CHILDREN TO ATTEND  
*EVERYDAY FUN WITH READING* AT LOCAL LIBRARIES**

Smart Beginnings Eastern Shore (SBES) is offering *Every Day Fun with Reading* spring workshops for parents and preschool children at local libraries across the Eastern Shore. Workshops will be led by local instructors from public schools and the community.

Leaders will use library books to model effective ways to read aloud with children, develop essential components of reading, and help children learn to read in the most natural and enjoyable way. Participating parents and children will receive free books to take home at the end of the workshop. Booklets with school readiness tips will also be provided by PNC Bank through its *Grow Up Great* initiative. The workshops are free and no pre-registration is required. Location, dates and times for *Every Day Fun with Reading* in Cape Charles are:
