

The Friends of the Grafton Public Library is a volunteer organization that works to support our library through advocacy and activities designed to raise money for library needs that are not funded by our local, state or federal government.

As a member of the Friends, your continuing support helps us offer many wonderful programs throughout the year for children, teens and adults. Your support also allows us to offer museum passes to various museums and special gardens in our region.

We hope you will join the Friends or renew your membership soon!
