

FirstSearch/WorldCat Discovery

Unique benefits of your subscription

Pairing your FirstSearch®/WorldCat® Discovery subscription with an OCLC Cataloging and Metadata Subscription is the only way to make your resources visible and accessible from websites where people begin their information searches. How else do your staff and patrons benefit from unparalleled access to WorldCat?

REFERENCE AND PUBLIC SERVICES STAFF BENEFIT FROM

- Resources on nearly any topic available through WorldCat, the largest database of library bibliographic information in the world
- Rare and unique resources in genealogy, music, and a wide range of other subjects
- Ability to locate items in many languages and formats in libraries worldwide
- Searches limited to specific libraries or groups

CATALOGERS BENEFIT FROM

- Known-item searching of WorldCat to confirm bibliographic details

COLLECTION DEVELOPMENT STAFF BENEFIT FROM

- Views of other libraries' holdings to inform acquisitions and weeding decisions
- Views of group collections to plan shared print projects
- Expert searching of WorldCat in a non-MARC interface

INTERLIBRARY LOAN STAFF BENEFIT FROM

- Full-featured searches to instantly determine which libraries own needed items
- Detailed information in search results to simplify selection of the best records

PATRONS BENEFIT FROM

- Ability to find resources in their own and other libraries
- Ability to submit interlibrary loan requests from within search results
- View of your library's collections on WorldCat.org™

IT AND SYSTEMS STAFF BENEFIT FROM

- Use of the WorldCat Search API to integrate WorldCat data into other library applications
